Other Notes

What about the whole idea of Expansion and Renovations?
Thanks for asking! Over the summer, two teams appointed by the Board of Elders (a Building Team and a Financing Team) have been meeting and thinking and praying. In September, the City of London approved our site plan with permission to create a new driveway onto Wonderland Road! Recently the Building Team met with two local builders to discuss ideas and options for the construction of the expansion. This past week, team members toured two church construction projects to consider various alternatives. The Board will be calling a meeting of the Congregation as soon as possible to consider a new plan. All questions and ideas gladly received at elders@wlachurch.org.
